REMINDER

Please look through entire packet - there are many new opportunities and we offer opportunities no matter your budget!

We encourage you to take advantage of these opportunities now as they may not be around after the initial sale date.

Our office will do our best to accommodate all of your requests, however, they are not guaranteed. You will be charged based on the availability of your sponsorship requests.

Sponsorship Overview

The Rocky Mountain Chapter hosts over two dozen educational, networking and social events each year! These programs vary in size and execution—from two full day conferences, to evening programs for board members to engaging lunches for our members—CAI-RMC has something that will fit your needs! Sponsoring individual programs increases your firm's exposure to industry professionals and leaders. If you've never done this before, some helpful steps are below!

1 EVENT SPONSORSHIP

Pick your Event Sponsorships after reviewing all the information (on pages 6-10). Select items cumulating to \$2,800, \$4,800 or \$8,600 or more and you have achieved Silver, Gold or Platinum Sponsor Levels, respectively (see page 5).

These levels entitle you to many additional benefits—including a discount on display advertising in our Common Interests magazine! We also offer an "a-la-carte" selection of the programs that may fit your needs (see pages 6-7).

2 COMMON INTERESTS ADVERTISING

The Chapter publishes the award winning *Common Interests* magazine every other month starting in February with a circulation of over 1,000 subscribers. See the sizes and prices on pages 12-13. Silver, Gold & Platinum sponsors (from step 1) are entitled to discounts on Display Ads (*does not include service directory or annual directory*).

3 ANNUAL DIRECTORY ADVERTISING

All business partner members receive one listing in the yellow pages of our Directory in one primary category—you must contact CAI National (www.caionline.org) to make sure your information is correct. Do not update your information through the chapter office. If you'd like to enhance your listing (bold) or add listings in additional categories, the prices are listed to do this on page 14. Additionally, there are display advertising opportunities throughout the directory where you can highlight your firm's capabilities, information and logo. See all the information on page 14.

4 FILL OUT YOUR ORDER FORMS

There are separate forms for sponsorships and advertising at the back of this packet. Remember to take any magazine advertising discounts you have earned if you've reached Silver, Gold or Platinum status! **Booth orders for conferences are done at a later time.*

5 EMAIL ORDERS

The Chapter Office will begin taking sponsorship orders Friday, December 15, 2017 at 9am. Opportunities are subject to availability, and will be reserved in the order received, regardless of previous sponsorships. Email to **bridget@caddo-leadership.com**. You should receive confirmation within 2 hours that we have received your request. All reasonable accommodations will be made to fulfill your order. The amount reflected on your invoice may be less if an opportunity is already fulfilled. **Sponsorships should be paid by check. If paying by credit card a 3% charge will be added to the overall invoice for additional processing.**

Supporting Sponsor Opportunities (cont.)

New Opportunity Details

It is not the strongest or the most intelligent who will survive but those who can best manage change. - Charles Darwin

We've changed some things in order to better accommodate our members. Why? Because we understand that times change and so do the desires of our members. Given that, you'll find that some of our sponsorships have been canceled due to a lack of success - but, you'll also find that we've added sponsorships that we've been encouraged to offer.

Here they are, just for you!

Clay Shooting - You have the option to be a presenting sponsor. Along with the benefits of a presenting sponsorship, you'll have the ability to hand out safety equipment, ammo and meet and greet people as they arrive. If you're not ready for a presenting sponsorship, you have the ability to sponsor a station, which is very similar to what we do at golf tournaments. You may set up shop at a station and host a group for the event (at an additional cost, registration).

Common Interests Magazine Reader's Contest - The Common Interests magazine is going to come out every other month in 2018. We've added a sponsorship that entails asking five questions regarding the articles and allowing readers to participate in a quiz. Note, our editorial committee will come up with the questions. The first reader to get all the questions right (by emailing the chapter with the right answers) will win a gift card that the sponsor gives away (you will need to give out six \$25 gift cards during the course of the year). Your company logo and website will be located alongside the reader's quiz in each issue. It's a fun way to engage people in our magazine as well as increase awareness of your brand. The sponsorship costs \$1,500 for six issues and there is only one sponsor for the entire year. Will it be you?

Speaker Series - This event is replacing the lunch and learn program. In the past, the lunch and learn programs were geared towards managers, with education that primarily focused on HOA management. At the end of 2017 we tried something new - education for ALL. We provided an interesting topic that related to all of our membership, not just managers. Our business partners, homeowner leaders and managers found the program to be of interest and were excited to be presented with a program that was unique and engaging. In 2018, the Speaker Series will be engaging programming for our membership - whether you're a manager, business partner or a homeowner leader! The series will take place at the DTC Marriott so that we have room to grow as we expect these events to have high turnouts. Make sure to register for our January Speaker Series (if you're not ready to sponsor) as it will not only impress you, you'll have a good idea of where we're taking the Chapter!

Ongoing Chapter Programs

Think about your objectives as a member of CAI-RMC. If you're serious about what you do, we know that your objective isn't just to have a card that lists your membership number. It's more than that - because your results likely define your future.

Is it professional development? Are you looking for new business? Think about your objectives in terms of how your service will help fulfill your own professional development goals, your employer's desire to bring in and keep business and the kind of service you want to give.

When you do this, match it up with what our chapter offers. You'll see that there's a multitude of opportunities to fit your objectives, no matter what they are. And, if you're looking at this packet, you're likely someone who knows that the more involved you are, the better your results will be.

Board Leadership Development Workshop

In-depth day-long course for homeowner leaders held on Saturdays in Denver and Broomfield. If you're wanting to meet volunteer leaders, this sponsorship is an excellent full day opportunity. Sponsors are encouraged to come at the beginning of the program to meet homeowner leaders and to give a brief welcome to the program. It is not necessary to stay the entire day but sponsors are welcome to do so.

CAI Rocky Mountain Awards and Holiday Luncheon

In December of 2018, CAI -RMC will celebrate the holidays and install the Board of Directors and Officers at our annual holiday event. This is a great event for those wanting access to company leaders and decision makers in the industry. This event will include volunteer appreciation awards as well as Community of the Year Awards. This event is a lunch-time program.

CAI-RMC Bowling

Bowling has proven to be a very successful activity for our chapter. So much so that we added a bowling event in Windsor, CO. We'll continue to hold our February event at Centennial Lanes in Aurora and we'll hold a Fall event at The Summit in Windsor in 2018. This has received a lot of great feedback and we're excited that it is now a part of our official programming.

Clay Shooting

We've heard our members want more opportunities to get out of the office and get to know people while doing something fun and unique. Clay shooting is our answer to this plea! We will hold the 2018 Inaugural event at Kiowa Creek Sporting Club. We're confident that this will be as popular as our newest programs have been because this is what our members have asked for.

DORA Day

We heard that manager's wanted a full day of education—that's just what DORA Day is! And in 2018, it's even better as we're offering eight hours (the full requirement for manager state licensing renewals) instead of five. We'll have breakfast, 8 different education sessions and lunch. This is a full day of manager education at its finest.

Opportunities (cont.)

Fall Conference & Annual Meeting

The Annual Fall Conference is the more relaxed conference of the year. It will be held at the Marriott DTC and is a half day program with light food served throughout. The Fall Conference & Trade Show brings just over 200 managers and homeowners as attendees.

Golf Tournament

For 22 years we've hosted the CAI-RMC Annual Golf Tournament—it's a fun day of play with contests, food, drinks and more. Over 128 players are expected at the Golf Tournament which will be held at Heritage Eagle Bend in Aurora, CO.

HOA Roundtables

Interactive, roundtable programs for HOA leaders looking to improve their HOA and learn better strategies to serve their community. CAI-RMC partners with various municipalities (including Centennial, Ft. Collins, Aurora, Boulder, Castle Rock and Thornton) to host these free, evening events for homeowner leaders. ***Looking to meet homeowners? This event is for you, but only if you sponsor!***

Managers Lunch

2016 was our first year implementing the manager's lunch - which is strictly for managers (with the exception of our sponsors) and has been very popular. This is a great way to reach 30-70 managers without other business partners in the room - show up with some swag for the group, eat, mingle and get to know managers in a very casual, relaxed atmosphere. *There are two presenting sponsors at this event - we will not put you with a competing sponsor.

Mountain Conference & Trade Show

The Annual Mountain Conference continues to be successful for the mountain communities. 50 exhibitors generally participate in this yearly event that typically offers two hours of continuing education credits for managers. Breakfast and lunch are provided at this event.

Mountain Education

Our mountain education events are aimed towards mountain community managers and homeowner leaders. 2018 will be our third year of programming in the mountain regions.

PMDP Programs

Reach community association professionals in our industry who are educating themselves beyond the norm with multi-day programs in order to be further certified with CAI. These professional development programs are held at various venues in Denver, Thornton and Breckenridge. You are encouraged to come the first day during registration. See calendar of events for dates.

Speaker Series - Formerly Known As Lunch & Learn

Social and engaging Chapter lunches. We're going to shake things up for these lunches in 2018 and provide opportunities that aren't specific to HOA management. These lunches will have paid speakers, outside of our industry, in order to engage and provide a valuable opportunity that you can't get somewhere else.

Spring Showcase & Trade Show

Our biggest event of the year, the Spring Showcase and Trade Show hosts over 400 attendees and gets bigger and bigger each year! Over 140 exhibitors network, gain business prospects and get to know industry partners at the show. We will be switching location in 2018 and holding this event at the National Western Complex. We expect this event to be easier to attend and easier to exhibit at given the new venue. You'll be shocked at what we're doing in 2018 and in years to come. Out with the USUAL and in with the WHOA!

Publications

CAI's Educational mission includes publications! *Common Interests* magazine is the premier magazine in the state that reaches community association leaders, professional managers, management companies and service providers.

Recognized nationally for its focused editorial content on industry trends, operational issues, technology, legislation and chapter programs, *Common Interests* is a "must read" for community association volunteer leaders, community managers and business partners.

Our magazine is now published only six times each year, adding value to the publication. A copy is sent to each active member of our Chapter and additional copies are handed out at all our events, as well as mailed to prospective members—making our circulation to over 1,200 community association individuals!

Include your Business Card ad amongst other industry providers to keep your firm's identity in front of hundreds of HOA leaders and decision makers! This is NOT the annual membership directory that is printed once a year.

Service Directory Ads are 3.50" x 2.00" (252 pixels x 144 pixels), Color, 10 per page, sorted by category and then alphabetically by business name.

This is an inexpensive way to give people access to your business card and something that manager members refer to often!
